Bogen handler om de smertefulde tab, som bryder ind i vores hverdag: skilsmisse, dødsfald, tab af helbred og livskvalitet i forbindelse med alvorlig sygdom. Kriseinterventioner og sorgbearbejdning skildres meget konkret, og læseren får håndfast vejledning i, hvad det vil sige at yde støtte og hjælp. I sin helhed giver bogen et unikt indblik i den aktuelle forskning og viden inden for området krise, sorg og livsændring, alt sammen belyst med talrige eksempler fra virkelighedens verden. Barbro Lennéer Axelson er forfatter, universitetslektor i psykologi ved Institutionen för socialt arbete, Göteborgs universitet, og har lang erfaring med at arbejde med mennesker i sorg og krise.

Bet live and online with TAB, Australia's number 1 racing and sports betting website. It is intended to be used to create guitar sheet music, more commonly known to musicians as guitar tablature and bass tablature.
